International delivery by Christmas – summary

Please allow extra time for delivery

We are seeing a growing number of examples of local lockdowns in Europe and Rest of the World, increased pressure on airline capacity and additional local measures to help prevent Covid-19 spreading. All these changes will impact on delivery times and result in additional delays to many overseas destinations.

Therefore, we strongly advise that you should allow an additional 2-3 days onto our Last posting Dates to Europe and allow an additional week for Rest of the World destinations.
