

Complete Postcode List for Ghana (Simplified)

Listed in Postcode Order from A2 to XY

Jul-19

Note: Ghana's postal codes are alphanumeric. The first two characters form the postcode district - the first letter represents the region, and the second character represents the district in which the address is located. The next three to five digits (not shown in this table) represent the postcode area and identify a more precise location within a 5-meter square area.
